Hi Betsy and Mary,

Attached are the comments that ASTSWMO submitted to the docket yesterday regarding the proposed CCR amendments.

I received a notification from regulations.gov that the comments were successfully submitted. However, I'm aware of a couple of States who had difficulty submitting their State comments through regulations.gov, and sent their comments by e-mail to [CCRPhase1@epa.gov](mailto:CCRPhase1@epa.gov).

If you have any questions about the ASTSWMO comments, please let us know.

Thanks.  
Kerry
